

# SMART THERMOSTAT REBATES CONTRACTOR-INSTALLED APPLICATION

**For installations completed by a contractor July 6, 2015 through May 31, 2016**

Thank you for choosing to increase your home's energy efficiency with a smart thermostat.  
Follow the steps below to ensure you are eligible to receive a rebate from ComEd.

## 1 VERIFY ELIGIBILITY

**Confirm you are eligible to receive the smart thermostat rebate:**

- ComEd residential delivery service customer.
- Select a qualifying smart thermostat:
  - ecobee3
  - Honeywell Lyric
  - Nest Learning Thermostat
- Purchase and install between July 6, 2015–October 4, 2015 for a \$100 rebate. Purchase and install between October 5, 2015-May 31, 2016 for a \$125 rebate.
- Working Wi-Fi connection.
- Use a professional contractor to complete the installation. If you installed your smart thermostat yourself, use the self-install smart thermostat rebates application. Visit [ComEd.com/Rebates](http://ComEd.com/Rebates) for more information and to **apply**.
- Install on a compatible central air conditioner, heat pump and/or electric heating system.
- Each ComEd residential delivery service customer is limited to two smart thermostat rebates per household.

## 2 HAVE A PROFESSIONAL CONTRACTOR INSTALL YOUR SMART THERMOSTAT

**Talk to your contractor about the rebate application requirements and your home's heating and cooling systems.**

- Have your contractor confirm your heating and cooling systems are compatible with the smart thermostat you've selected.
- You may purchase your smart thermostat yourself, but a professional contractor must complete the installation to receive this rebate. Copies of your purchase receipt and installation invoice will need to be submitted with your application.
- Smart thermostat must be connected to the internet via a Wi-Fi connection.
- Additional installation requirements apply. Review the requirements throughout this document with your contractor to ensure your smart thermostat will qualify for the rebate.

## 3 COMPLETE YOUR REBATE APPLICATION

**Collect the required information and supporting documentation to complete your rebate application.**

- Complete and sign this application. **Unless noted, all fields are required.**
- Make sure the following are included on your purchase receipt and/or installation invoice:
  - Smart thermostat product information and serial number for each unit installed
  - Purchase and installation dates
  - Payment terms (for example, balance due of zero, financing terms or paid-in-full stamp)
  - Professional contractor business information
  - Retailer business information (if purchased outside of the installing contractor)

\*Please contact your contractor for a revised invoice before submitting your paperwork if any of the required information is missing.

## 4 SUBMIT YOUR APPLICATION

- Double-check your application, contractor installation invoice and purchase receipt to ensure they are correct, complete and legible. Make sure page 2 of the application is **signed**.
- Application must be postmarked or submitted online within 90 days of the initial installation date or by June 30, 2016, whichever comes first.

## 5 RECEIVE YOUR REBATE

After your rebate application is reviewed and approved, you will receive your rebate check by mail within approximately six weeks.

Applications should be submitted by **ONE** of the following methods:

- Mail: **ComEd Heating and Cooling Rebates**  
3100 West Road, Bldg 3 - Suite 200, East Lansing, MI 48823
- Email: **HomeEnergyRebates@ComEd.com**

### Smart thermostat rebate requirements:

- The smart thermostat rebate is limited to the approved products listed above, the ecobee3, Honeywell Lyric and Nest Learning Thermostat.
- Each ComEd residential delivery service customer is limited to two smart thermostat rebates per household.
- The rebate will not exceed the purchase price of the new smart thermostat and professional installation.
- The rebate is available for a new smart thermostat installed in an existing home or a new addition. A smart thermostat installed in a newly constructed home does not qualify for a rebate.
- Rebate amount is determined based on the installation date. A \$100 rebate is available for installations July 6, 2015 through October 4, 2015. A \$125 rebate is available for installations October 5, 2015 through May 31, 2016.

### Smart thermostats must be:

- Installed by a professional contractor. Self-installations are not eligible for this rebate.
- Installed with a continuous and dedicated 24-volt power source supplied directly to the thermostat. The new smart thermostat may not be installed using power-cycling of the heating and cooling system for this power. Customers and contractors are required to use the "Common" wire (also known as a C-wire or

5th-wire) either directly or via a 4-to-5-wire converter, for this power source. Two-wire systems may require an additional adapter to provide the required power source to the smart thermostat.

- Installed on one of the following systems:
  - Central air conditioner and furnace
  - Electric resistance heating (with or without a central air conditioner)
  - Electric heat pump
- Fully installed, operational and connected to the internet via Wi-Fi prior to submitting a rebate application.
- Purchased new. Resale thermostats, new parts installed in an existing smart thermostat, or a smart thermostat that is leased, rebuilt, rented, received from insurance claims, received from a warranty or won as a prize do not qualify.
- Installed conforming to all applicable building, local and state codes, manufacturer specifications and requirements listed throughout this application and in the program terms and conditions.
- Installed in a single-family home (attached or detached), or a multi-family property of 4-units or less that has a single ComEd residential account.

# SMART THERMOSTAT REBATES CONTRACTOR-INSTALLED APPLICATION TERMS AND CONDITIONS

Commonwealth Edison Company (ComEd) is offering smart thermostat rebates under ComEd Smart Ideas® Energy Efficiency program to assist customers in making energy efficiency home improvements.

## PROGRAM EFFECTIVE DATES

Smart thermostat rebates are offered July 6, 2015 until approved funds are exhausted or May 31, 2016, whichever comes first.

## PARTICIPATION RELEASE

If receiving a smart thermostat rebate from ComEd, customer authorizes the release of any smart thermostat usage data if applicable, including customer name and address, to any contractor or other vendor providing services or support under this program.

## APPLICATION PROCESS

Rebate applications must be postmarked or submitted online within 90 days of the installation date, or by June 30, 2016, whichever comes first. Failure to complete the rebate application in full will either delay the payment process or result in the application being denied.

## INSTANT REBATE REQUIREMENTS

If the customer is releasing payment of the rebate to the installing contractor for an instant rebate, the contractor must submit a customer-signed copy of the customer job order/invoice showing the full and correct rebate amount deducted from the total purchase price and labeled as a ComEd rebate. It is the installing contractor's sole responsibility to verify customer, equipment and installation eligibility prior to providing an instant rebate. Contractor assumes all liability by providing the instant rebate.

## LANDLORD APPLICATION REQUIREMENTS

A landlord with a tenant who holds the property's ComEd account may receive a rebate payment for a qualifying installation paid for by the landlord and completed in a property owned by the landlord. The customer may release payment of the rebate to the landlord on page 2 of the application and include a copy of the contractor invoice signed by the purchaser (i.e. the landlord).

## INSPECTIONS

ComEd reserves the right to inspect all rebated products to verify compliance with program rules and the accuracy of project documentation. This may include post-installation inspections or participant interviews. Upon reasonable notice by ComEd, the customer must allow access to project documents and the installed product for a period of one year after receipt of rebate payment by ComEd.

## RELEASE OF LIABILITY

ComEd, program administrators and implementers disclaim any and all liability, loss or damage and make no guarantees related to:

- Participation in the program, including use or installation of the product
- Loss or delay of rebate check in the mail
- Any taxes that may be imposed as a result of participation in the program

## DISPUTES/GOVERNING LAW

This application shall be exclusively governed by and interpreted in accordance with the laws of the State of Illinois. Any litigation between the parties shall be prosecuted only in the state or federal courts located in Cook County, Illinois.

## TOXIC MATERIALS

Neither ComEd, nor its consultants, contractors and/or subcontractors, shall have any responsibility for the discovery, presence, handling, removal, disposal of, or exposure to hazardous materials of any kind in connection with customer's home, including without limitation, asbestos, asbestos products, PCBs or any other toxic substances.

## LIMITATIONS OF LIABILITY

The customer shall independently evaluate any advice or information offered by ComEd related to estimates of electricity savings or program costs and is solely responsible for the selection and implementation of Energy Conservation Measures (ECMs).

IN NO EVENT WILL ComEd, ITS CONSULTANTS, CONTRACTORS AND/OR SUBCONTRACTORS, BE LIABLE FOR THE CUSTOMER'S FAILURE TO ACHIEVE A SPECIFIED AMOUNT OF ENERGY SAVINGS, OR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES OF ANY KIND IN CONNECTION WITH THIS AGREEMENT OR THE IMPLEMENTATION OF ECMs AT CUSTOMER'S HOME. IN NO EVENT WILL ComEd BE LIABLE TO YOU FOR INCIDENTAL, INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGES, ARISING OUT OF YOUR PARTICIPATION IN THIS PROGRAM.

Each party hereby agrees to defend, indemnify and hold harmless the other party, its consultants, contractors and subcontractors, and their respective officers, employees, agents, assigns, and successors-in-interest ("Indemnified Parties") from and against any third party claims, damages, losses, liability, costs (including attorney's fees and expenses) for bodily injury to any person (including death resulting therefrom) and property damage arising out of or in connection with the program, except to the extent such claims, damages, losses, liability and costs are caused by the negligence or willful misconduct of the other party.

## DISCLAIMER

ComEd does not guarantee that certain energy savings will be achieved and does not make any warranties associated with the product eligible for incentives under this program. ComEd has no obligations regarding, and does not endorse or guarantee, any claims, promises, representations, or work made or performed, or equipment furnished or installed by any contractors, subcontractors, or vendors that sell or install energy efficiency products.
